

## citiZENS workshop Prague

Date: 18<sup>th</sup> – 19<sup>th</sup> April

Topic: **Thematic workshop on the role of public bodies and civil society organisations for the transformation of public spaces in participative and learning environments**

### Agenda

#### Day 1 – ICTs in public participation

**Place:** Klub Lavka, Novotneho Lavka 1, Praha 1 (<http://www.lavka.cz/>)

**Time:** 8:15-23:00

The first day of the workshop will focus on discussing issues such as eParticipation, digital governance, digital local agendas, citizens' participation, influence of data and technologies on local/regional policies, etc. **In our digital age, all these topics are essential in a debate on the role of public entities and citizens in the transformation of public spaces.** All these issues will be the topics of a Conference, at which the CitiZENS partners will have the opportunity to participate, which will also feature sessions, during which the sole focus will be **citizens' eParticipation**. During the first day of the workshop participants will not only be able to hear talks on all the above mentioned issues from leading Czech and European experts and practitioners, they will also be able to meet, network and exchange experiences with other international participants representing public, private and third sectors. The full-day proceedings will be followed by an evening social event.

To take part at the first day of the workshop and be able to take advantage of the selection of learning and networking opportunities, please register at <http://www.oneproject.eu/registration>.

#### Day 2 – Project discussion

**Place:** Novotneho Lavka 5, Praha 1, room nr. 219 (<http://www.csvts.cz/>)

**Time:** 9:30

The CitiZENS partners will meet to discuss experiences from the Conference and draw conclusions and lessons learned for the project. Admin issues will also be discussed

#### Day 2 – Field experience: civil society in transition and conclusions

**Time:** 11:00

In Prague there are still public spaces, which demonstrate ways in which civil society, the people of the country who were not allowed to freely organize and influence decision making, tried to insert itself into public life. CitiZENS participants will be taken on a guided tour especially designed to demonstrate this.
